

## **A GREAT YARN'S "GREAT KNIT-A-THON"**

The instructions for preparing the panels are as follows: participants should use washable, worsted weight yarn, and put 50 stitches on a size 8 needle. That will ensure that the panel is roughly 12 inches wide. Then simply knit until the panel is six feet long.

Participants can use a variety of other approaches to making panels, such as knitting and purling, using cables, etc. However, it is important that the panels are roughly one foot wide and six feet long to ensure uniformity in preparing the blankets.
